PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 8/12/2021, 9/1/2021, 12/14/2021, 2/21/2023, and 3/2/2023.

On July 27, 2021, a probation officer reviewed a copy of the conditions of supervision with Mr. Abrahamson as outlined in the judgment and sentence. Mr. Abrahamson signed his judgment acknowledging an understanding of those conditions.

The probation officer believes that the offender has violated the following conditions of supervision:

Violation Number Nature of Noncompliance17 **Mandatory Condition #1:** You must not commit another federal, state or local crime.

Supporting Evidence: It is alleged that Andre Abrahamson violated the terms of supervised release by committing the offense of prisoner in possession of a controlled substance, on or about March 3, 2023.

On March 3, 2023, Andre Abrahamson reported to the U.S. Probation Office. A warrant had previously been issued for his arrest; therefore, the U.S. Marshals Service responded, placed him into custody, and transported him to the Spokane County Jail.

During the jail booking process, Mr. Abrahamson was found to have a small balloon like item in his mouth, which appeared similar to a finger tip of a blue latex glove, and contained a small rock like substance. Mr. Abrahamson was questioned about the item and he advised it was methamphetamine.

The Spokane County Sheriff's Office was contacted. The deputy field tested the substance and a presumptive positive result for methamphetamine was received.

Probable cause was developed to arrest Mr. Abrahamson for prisoner in possession of a controlled substance. Due to Mr. Abrahamson being on a U.S. Marshals hold, the officer could not book him on the new charge; therefore, he submitted a request for felony warrant on the noted charge.

18 **Mandatory Condition #2:** You must not unlawfully possess a controlled substance. You must refrain from any unlawful use of a controlled substance, including marijuana, which remains illegal under federal law.

Supporting Evidence: It is alleged that Andre Abrahamson violated the terms of his supervised release by possessing a controlled substance, methamphetamine, on or about March 3, 2023.

On March 3, 2023, Andre Abrahamson reported to the U.S. Probation Office. A warrant had previously been issued for his arrest; therefore, the U.S. Marshals Service responded, placed him into custody, and transported him to the Spokane County Jail.
